1665 | 1675 | 1685 SP2 BIN FILL CONVEYORS

The Convey-All™ SP2 Bin Fill Conveyors feature our redesigned mover kit for exceptional reach and performance. Convey-All conveyors are designed to be efficient and simple to use. The engine and control station are set low for easy access. The undercarriages are rugged and heavy duty, using structural steel and fabricated for bolt-together durability. Combine our Bin Fill Conveyors with a Convey-All Transfer Conveyor for ultimate efficiency.

COOL FEATURE X

POSITIVE PINCH DRIVE BOX

This Drive Box features the Sliding Pinch Roller. It maintains positive pressure on the Drive Roller. As more product is loaded, the Pinch Roller automatically increases its pressure on the Drive Roller.

CONVEY-ALL™

DURABLE. FUNCTIONAL. **RELIABLE.**
